

CITY COUNCIL REPORT

Meeting Date: February 8, 2022
 General Plan Element: ***Character & Design***
 General Plan Goal: ***Maximize the potential of public art to enrich resident's and visitor's lives***

ACTION

Authorize a FY 2021/22 capital budget transfer for additional funding in the amount of \$50,000 for the public art installation at the Stetson Plaza Splash Pad to be funded by the Downtown Cultural Trust. Adopt Resolution No. 12390 authorizing a FY 2021/22 Community & Economic Development, Planning & Development Department Special Programs Fund Operating Budget Transfer totaling \$50,000 to the Stetson Plaza Splash Pad Enhancement (PH04) capital project to be funded by the Downtown Cultural Trust funding source.

BACKGROUND

On July 1, 2020, council approved a capital budget transfer of \$65,000 for a new public art installation at the splash pad in Stetson Plaza, located adjacent to the Marshall Way Bridge at the Scottsdale Waterfront, to enhance the area by providing visual interest and adding seating elements to the existing splash pad intended to attract families to the Waterfront and give them a place to play and relax. Since that date, Scottsdale Arts has been working with the artist to design an installation that meets the criterion of the Transportation Department to design seating elements around the splash pad that will not impede pedestrian traffic.

Per Section 7.1001-7.1006 of the code, the Downtown Cultural Trust is a subset of the Cultural Improvement Program. The Cultural Improvement Program applies to private development projects in zoning districts requiring a contribution. The Downtown Cultural Trust receives contributions generated by the valuation of private development projects in the downtown area that choose not to commission and install original artwork in their projects. These funds may only be used for the cost of artwork on property in the downtown area.

On November 17, 2021, the Scottsdale Public Art (SPA) Advisory Board voted to approve Scottsdale Arts request for an increase to the project budget to construct and execute a Memorandum of Understanding (MOU) with the city for an increase to the project funding. The new total project budget is \$115,000.
